### 2. Exemption justification:

Please attach a narrative explaining how the Project meets the requirements outlined in NOFA Section 207(1)(a)(i):

*“At the sole discretion of the Director of the Department or the Director’s designee, per Project Funding Limit requests in excess of \$35 million may be approved as an exemption to the Project funding limits, if the Projects uniquely advance state policy*

*priorities, are high scoring, are located in high or highest resource areas as identified in the [2023 Opportunity Maps – Adopted January 2023](#), and/or are located in high-cost regions. Applicants asserting the Project is in a high-cost area shall provide data from HUD, the United States Census Bureau, or another authoritative source to validate the assertion. All exemption requests shall not exceed ten percent (10%) above the per Project Funding Limit.”*
